------------------	--	---	---	--

Referring to the sum Of ~~£~~15651.17.8 voted to the Treasurer of the Navy in 1825, the following note appears
 "This sum appears to have been expended for the whole outfit of the Transports. A considerable deduction may be expected to be made from this charge as in consequence of the shortness of the voyage, nearly half the provisions and stores was not consumed by the Emigrants but returned into the King's Stores in Quebec"
